MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

THE VALLEJO CITY UNIFIED SCHOOL DISTRICT (VCUSD)

AND THE

THE VALLEJO EDUCATION ASSOCIATION (VEA)

10/25/2025

Due to the restrictive timeline challenges, VCUSD and VEA agree to amend 3.1.1.2 of the Collective Bargaining Agreement effective, November 1st 2024.

Article 3

3.1.1.2 A separate warrant will be issued for extra-curricular, retroactive, summer school pay, and/or other extra pay. Such pay warrants shall be issued within fifteen (15) days of the month for any work completed by the(15th) ~~23rd~~ of the previous month, except for the month of **December.** Due to the shortened month of December, the timesheet submission date may vary annually and will be published by payroll in August.

Summer school pay warrants will be issued at the end of the subsequent month following the month in which work was completed. The parties agree to explore additional pay warrant options with the county.

These pay warrants shall include an explanation of the work being compensated.
